

Principal's Message

As we look back on the first few months of the academic year 2026-'27, I am filled with immense pride and gratitude for the enthusiasm, energy and achievements of our school community. The year began on a joyful note with the Grand Reopening of the school, setting the stage for a year of learning, leadership, creativity and celebration.

The School Council Election gave our students a valuable opportunity to experience democracy, responsibility and leadership first-hand. Our students represented the school with confidence and distinction at CNIMUN, demonstrating excellent communication skills, awareness and thoughtful engagement with contemporary issues. The spirit of adventure and teamwork came alive through Thrill CNIS 2026, while our Charity initiatives reminded us of the importance of compassion, generosity and service. The inauguration of the Girls' Guild was another significant milestone, creating a meaningful platform for our girls to develop leadership, confidence and a strong sense of community.

The months ahead promise to be equally vibrant and enriching. We look forward to welcoming parents to the Open House, strengthening the partnership between

home and school. Activity Day and the Artwise Competition will provide opportunities to explore interests, celebrate creativity and showcase talents beyond the classroom. As the year progresses, our Christmas celebrations and much-awaited Annual Day will give us wonderful occasions to celebrate the accomplishments, talents and growth of our students.

There is much more to anticipate, including Sports Day, the School Science Fair and the much-awaited Tech Fest, where students can showcase their sporting talent, curiosity, innovation and creative ideas. School picnics will add to the excitement, offering opportunities to relax, bond with friends and create cherished memories. Together, these events promise a wonderful blend of learning, exploration, creativity and fun.

As we prepare to celebrate Onam, I extend my warmest wishes to all our students and parents. May this beautiful festival bring happiness, prosperity, togetherness and renewed hope to every home. I hope the vacation provides our students with time to relax, rejuvenate and create precious memories with their families.

Let us return refreshed and inspired, ready to embrace the opportunities and challenges ahead. I thank our students, parents and staff for their continued support and commitment, and wish everyone a very Happy Onam and a safe, joyful and enjoyable vacation!

With warm regards,

Sebastian Attichira
